Shaw Trust Web Accessibility Services' mission

0:20

is to promote Digital Inclusion

0:22

and help make digital products and services

0:25

accessible to everyone regardless of ability.

0:29

We work together with organisations to help them ensure

0:31

that their Intranet, Websites, documents, and applications

0:35

meet the necessary accessibility standards.

0:40

We employ several teams of full-time disabled testers

0:43

to test digital products and services for accessibility issues.
